

Simple Summer Tweed Top Down V-Neck

By Heidi Kirrmaier

A basic top-down raglan pullover, including sizing & shaping for both men and women. (Despite the name, a crew neck option is provided as well!)

Finished Sizes: *(Intended to fit with some positive ease. Please also refer to schematic on the last page for more detailed finished measurements.)*

	<u>XS</u>	<u>(S</u>	<u>M</u>	<u>L)</u>	<u>[XL</u>	<u>XXL</u>	<u>XXXL]</u>
chest/bust (inches):	32	36	40	44	48	52	56
chest/bust (cm):	80	90	100	110	120	130	140

Materials: 8, (8, 9, 10) [11, 12, 13] skeins of Rowan Summer Tweed (@118 yds or 109 m each), or same amount of any aran weight yarn. *These are estimates for the women's v-neck version. For men, you will need about 15% more for additional length, and the crew neck version will require a little more as well.*

2 circular needles that get gauge (about 4.5 – 5.5 mm)
1 circular needle 0.5 mm smaller than main needle
1 color "A" marker, and 4 color "B" markers

Gauge: 16 st and 23 rows per 10 cm (or 4 inches)

Instructions:

Knit from top down in st st. All increases and decreases are made on right side (rs).

Yoke:

With one of the main needles, cast on 42 (48, 48, 50) [52, 54, 54] st. Work first wrong side (ws) row (purling) and divide with color "B" markers as follows:

XS: 1,4,32,4,1
S: 1,6,34,6,1
M: 1,6,34,6,1
L: 1,6,36,6,1
XL: 1,6,38,6,1
XXL: 1,6,40,6,1
XXXL: 1,6,40,6,1

Continue in st st. **READ AHEAD TO **!**

Work FRONT and BACK raglans, starting on the next rs row, by kfb **before** 1st and 3rd markers, and **after** 2nd and 4th markers:

XS: every 2nd row 7 times, then every 4th row 7 times.
S: every 2nd row 9 times, then every 4th row 7 times.
M: every 2nd row 15 times, then every 4th row 5 times.
L: every 2nd row 20 times, then every 4th row 3 times.
XL: every 2nd row 20 times, then every 4th row 4 times.
XXL: every 2nd row 24 times, then every 4th row 3 times.
XXXL: every 2nd row 29 times, then every 4th row 1 time.

Work SLEEVE raglans, **starting on the same row** as FRONT and BACK raglans, by kfb **after** 1st and 3rd markers, and **before** 2nd and 4th markers:

XS: every 2nd row 19 times, then every 4th row 1 time.
S: every 2nd row 17 times, then every 4th row 3 times.
M: every 2nd row 19 times, then every 4th row 3 times.
L: every 2nd row 22 times, then every 4th row 2 times.
XL: every 2nd row 24 times, then every 4th row 2 times.
XXL: every 2nd row 26 times, then every 4th row 2 times.
XXXL: every 2nd row 29 times, then every 4th row 1 time.

****AT THE SAME TIME:**

V-neck is shaped by working straight for 3 rows (includes first ws set up row), then m1 at 1 st in from each end of next rs row, and on following 4th row 0 (1, 1, 1) [1, 1, 1] times, then on every 2nd row 14 (14, 14, 15) [16, 17, 17] times. When these increases are complete, join the "v" and continue to work in the round. (For a deeper v-neck, work more 4th row increases, and the same number fewer 2nd row increases.)

Crew neck is shaped by m1 at 1 st in from each end of next and following 2nd row 4 (5, 5, 6) [6, 7, 7] times. On next rs row after these increases are complete, cast on x stitches to fill in neckline, and continue in the round, where x = *number of st you have at that point for the back section (between 2nd and 3rd markers) minus the total number of st you have for BOTH sides of the front.*

After raglan increases are done:

For Men: work 6 more rounds straight (increases the yoke / armhole depth).

For all sizes, remove markers and put sleeve st on scrap yarn, join fronts and back and cast on 4 (6, 6, 6) [10, 10, 12] st under each arm {=64 (72, 80, 88) [96, 104, 112] st for each of front and back}.

Place a color "A" marker at centre of left underarm to mark the beginning of all future rounds.

Body:

Continue to work body in the round.

For Men: work straight to about 45 cm (18 inches) from underarms, or desired length, and bind off.

For Women (waist shaping): place 4 color "B" markers at 10 (12, 12, 14) [14, 16, 16] st on either side of the centre of each underarm. Work decreases by ssk **before** 1st and 3rd color "B" markers, and k2tog **after** 2nd and 4th color "B" markers on 20th round from underarms, and following 10th round (=2 decrease rounds). Work 10 rounds, then work increases by m1 **before** 1st and 3rd color "B" markers, and m1 **after** 2nd and 4th color "B" markers on next and following 2 10th rounds (=3 increase rounds). Work to about 35 - 38 cm (13 -15 inches) from underarms, or desired length, and bind off.

Sleeves:

Worked in the round on 2 circular needles (or your preferred method).

Transfer stitches from scrap yarn to 2 needles, and cast on (or pick up directly from body) 4 (6, 6, 6) [10, 10, 12] st underarm {=48 (52, 56, 60) [68, 72, 78] st}. Mark centre of underarm (marks beginning of sleeve rounds).

For Men: work decreases by k2, k2 tog, k to 4 st before end of round, ssk, k2, on:

XS: every 18th round, 5 times.
S: every 18th round, 5 times.
M: every 18th round, 6 times.
L: every 14th round, 8 times.
XL: every 10th round, 11 times.
XXL: every 8th round, 13 times.
XXXL: every 8th round, 14 times.

Work to about 46 (48,50, 52) [54,54,54] cm (18.5 (19, 20, 21) [22, 22, 22] inches) from underarm, or desired length, and bind off.

For Women: work decreases by k2, k2 tog, k to 4 st before end of round, ssk, k2, on:

XS: every 12th round, 7 times.
S: every 14th round, 7 times.
M: every 10th round, 9 times.
L: every 10th round, 10 times.
XL: every 8th round, 13 times.
XXL: every 8th round, 7 times, and then every 6th round 8 times.
XXXL: every 6th round, 17 times.

Work to about 43 (46, 47, 48) [48, 48, 48] cm (17 (18.5, 18.5, 19) [19, 19, 19] inches) from underarm, or desired length, and bind off.

Finishing:

Stitch up underarms if necessary.

V-neck finishing: With smaller needle, start at back right raglan and pick up about 7 st per 8 st across back and top of left sleeve, and about 3 st per 4 rows (or more st for more curl) along left v neck opening, pick up one stitch at center of "v", and the same number of stitches along the right side of "v" and top of right sleeve as for the left side.

If your needle is short enough, you can work in the round, otherwise work back and forth. Work 6-8 rounds in st st, and on every second round, ssk **before** centre "v" stitch and k2tog **after** centre "v" stitch. Bind off (more loosely for more curl). If you knit this back and forth (not in the round), seam edges together.

Crew neck finishing: With smaller needle, start at back right raglan and pick up about 7 st per 8 st across back and top of left sleeve, and about 3 st per 4 rows along left angled front neck opening, about 7 st per 8 st across front cast on section, and the same number of stitches along the right angled section and top of right sleeve as for the left. Mark center of each shoulder.

If your needle is short enough, you can work in the round, otherwise work back and forth. Work in st st for 6-10 (or more if desired) rounds. On every 4th (rs) round, (k to 4 st before center shoulder marker, ssk, k2, sm, k2, k2tog) 2 times, k to end. Bind off (more loosely for more curl). If you knit this back and forth (not in the round), seam edges together.
